

FOR BABY

By Katherine Dines

© 1992 Kiddie Korral Music, ASCAP

When Mr. Sun wakes up
He makes a buttercup...**FOR BABY**
Every cloud above
Floats in a heart of love... **FOR BABY**
All of the birdies and all of the bees say,
"Tweet, Baby, Tweet!"
And all of the fishes blow bubbles and kisses 'cause
You're... so... sweet.

Crickets clap their wings
Until the forest sings... **FOR BABY**
And the August breeze
Whispers symphonies... **FOR BABY**
All of the dewdrops in all of the trees say,
"Drip, Drip, Hooray!"
And all of the branches tap time and start dancin' 'cause
It's... your... day!

As Mr. Sun sinks low
The world begins to glow... **FOR BABY**
And there's a brand new moon
That sparkles silver too... **FOR BABY**
All of the heavens and all of the stars say,
"Shine, Baby, Shine!"
And all through the universe, they celebrate your birth
One... more... time!

SOOOO BIG and SOOOO SMALL

By Katherine Dines

©2003 Kiddie Korral Music, ASCAP

I'm soooooo big
And sooooo small
Way down low or way up tall.
I raise my right arm to the sky
'Til mom or daddy help me fly!
I'm sooooo big
And sooooo small
And these days, I just love... to... crawl

I'm soooooo big
And sooooo small
Way down low or way up tall.
I raise my left arm to the sky
'Til mom or daddy help me fly!
I'm sooooo big
And sooooo small
And these days, I just love... to... crawl

I'm soooooo big
And sooooo small
Way down low or way up tall.
I raise both arms up to the sky
'Til mom or daddy help me fly!
I'm sooooo big
And sooooo small
And these days, I just love... to... crawl
And these days, I just love... to... crawl

Three nice mice
Three nice mice
See how they run
See how they run
They scurry across little baby's back
Hurry to nibble a little snack
Furry and tired they hit the sack
Three nice mice.

By Katherine Dines

©2002 Kiddie Korral Music, ASCAP

Hi every baby! It's a jungle out here! So beeeeeeee careful! Get your feet ready... Put your jingles on your ankles, and let's do the "Jingle Jangle Jumble, in the Jungle!"

Tap your toes. Then your feet.

This little dance just can't be beat.

Baby's gonna kick up to the sky and shake those ankles way up high!

It's a **JINGLE JANGLE JUMBLE IN THE JUNGLE**

Hear that lion start to roar

Baby better get up off the floor.

Kick those toes up to the moon, dance to the tune of the sweet baboon!

It's a **JINGLE JANGLE JUMBLE IN THE JUNGLE**

A great big splash- a rhinoceros!

Crash! Bam! Boom- Hippopotamus!

Run, baby run, through the jungle leaves

Shake your ankles through the trees

It's a **JINGLE JANGLE JUMBLE IN THE JUNGLE**

Now we're safe at home again

The ankle jingles are your friends

Shake your ankles to the ground

Every baby make an animal sound!

DAD ON DIAPER DUTY!

By Katherine Dines

©2003 Kiddie Korral Music, ASCAP

My diaper was sagging
So I raised a stink
Then Daddy came a- running
And swung me toward the sink
He does a lot of laundry, and really likes to bake
But **DAD ON DIAPER DUTY**,
Always takes the cake...

He scrunches up his face "Pieuw!"
And yells a mighty cheer.
Says, "Come on Squirt, let's get that dirty diaper outta here!"
He waves the Handy Wipes around like he's my biggest fan!
Wads my dirty diaper up and kicks it in the can.
SCORE!

Sometimes when my mommy
Goes away to work
Daddy pats me on the back
Until I have to burp.
He does a lot of dishes, and cleans up all the mess
But **DAD ON DIAPER DUTY**,
Outshines all the best!

He scrunches up his face "Pieuw!"
And yells a mighty cheer.
Says, "Come on Squirt, let's get that dirty diaper outta here!"
He waves the Handy Wipes around like he's my biggest fan!
Wads my dirty diaper up and kicks it in the can. SCORE!

CLICKITY CLACK
By Katherine Dines
©2003 Kiddie Korral Music, ASCAP

Wooo woooo! *Train whistle sound*
All Aboard!!! Chugga chugga chugga chugga

We're rolling down the railroad
Moving in a line
Over mountain passes,
On our way we climb.
The train is going faster,
All along the track
CLICKITY CLACK - chugga chugga chug
CLICKITY CLACK - chugga chugga chug

We're rolling down the railroad
Through the sun and rain
Passing farm and city,
Mountain, valley, plain
The train is going faster
All along the track
CLICKITY CLACK - chugga chugga chug
CLICKITY CLACK - chugga chugga chug

We're rolling down the railroad.
Every car in line
Here comes the conductor,
"Now, it's braking time!"
The train is going slower,
All along the track
CLICKITY CLACK - chugga chugga chug
CLICKITY CLACK - chugga chugga chug

SOMEDAY BABY

By Katherine Dines. Used With Permission

© 1987 Someday Baby, BMI

Butterflies go up and down
Fluttering above the ground
Butterflies soar through the sky
SOMEDAY BABY, you will fly

Crickets call the whole night through
Playing songs for me and you
Crickets calling wing to wing
SOMEDAY BABY, you will sing

Close your little eyes. Sleep until you dream
Tomorrow you will know... that you can do anything!

Sunbeams fall from up above
Chasing clouds away with love
Sunbeams touch your heart and mine
SOMEDAY BABY, you will shine

Close your little eyes. Sleep until you dream
Tomorrow you will know... that you can do anything!

Butterflies go up and down
Fluttering above the ground
Butterflies soar through the sky
SOMEDAY BABY, you will shine
SOMEDAY BABY, you will sing
SOMEDAY BABY, you'll do anything!
