BOUNCING BALL
By Katherine Dines
©2003 Kiddie Korral Music, ASCAP

I found my baby a bouncing ball
I found my baby a bouncing ball
I found my baby a bouncing ball
And bounced it for my baby!

Round as baby's tummy.
Round as baby's bum
Round as baby's toes are, bouncing to the sun

I found my baby a bouncing ball
I found my baby a bouncing ball
I found my baby a bouncing ball
And bounced it for my baby!

Round as baby's head is.
Round as baby's knees
Round as baby's eyes are, before they go to sleep!

I found my baby a bouncing ball
I found my baby a bouncing ball
I found my baby a bouncing ball
And bounced it for my baby!

THE TICKLEBUG
By Katherine Dines
©1990 Kiddie Korral Music, ASCAP

Something's sneaking up on me
But it's too small for me to see
I'd better try and take a peek or
Quick as one, two, three...

THE TICKLEBUG. THE TICKLEBUG
Too late to run for cover, he's already discovered
Those giggly parts of me
THE TICKLEBUG. THE TICKLEBUG
He sneaks up unexpected, just when I least expect it.
If I cover up my face, he gets me in the neck...
So I cover up my neck and guess what then?
THE TICKLEBUG gets me again. **THE TICKLEBUG** gets me again.

Something's twitching like an itch
But I can't tell what where or which
I mustn't let it play those tricks or
Quick as four, five, six...

Repeat chorus

Something's creeping up my spine
But it's too hard for me to find
I'll pretend that I don't mind
Or quick as seven eight nine...

Repeat chorus

PAT-A-CAKE

Adaptation of Traditional Nursery Rhyme By Katherine Dines

©2003 Kiddie Korral Music, ASCAP

The little one's just a little butter,
But the next one cracks two eggs,
The middle one's got the honey - Yum!
But wait, let's give it a taste!
The pointer finger sprinkles flour.
The thumb pours in some milk.
Oh, baby's hands make a nice little bowl,
And the dough feels soft as silk!
One hand stirs the mixture.
The other turns a knob to bake.
Now grab that dough with both your hands,
And mash those pat-a-cakes

Oh... **PAT-A-CAKE, PAT-A-CAKE**
Baker's hands
Bake me a cake as fast as you can
Spread on the butter
Spread on the jam
Where's my **PAT-A-CAKE?**
Here I am!

DON'T DROP THE BABY!

By Katherine Dines

©2003 Kiddie Korral Music, ASCAP

How I love to play with you,
Each and every day.
Swing you up and swing you down,
In many different ways.
But every now and then I like to
Act a little crazy...
Toss you way up in the air... Oh **DON'T DROP THE BABY!**

Daddy lifts you off the floor
And rocks you in his arms.
I know he likes to hold you tight,
And keep you safe and warm.
But every now and then he likes to
Act a little crazy...
Toss you way up in the air... But **DON'T DROP THE BABY!**

Everyday we go to work,
We have a lot to do.
But laundry, meals and paying bills,
Don't mean as much as you!
So just as soon as we come home,
We act a little crazy...
Toss you way up in the air... Oh **DON'T DROP THE BABY!**

Every now and then we like to
Act a little crazy...
Toss you way up in the air
Oh **DON'T DROP THE BABY!**
Oh **DON'T DROP THE BABY!**
Oh **DON'T DROP THE BABY!**

WHERE IS BABY? (PEEK-A-BOO)

By Katherine Dines

©2003 Kiddie Korral Music, ASCAP

My little baby is so sweet
Lying right in front of me.
But **WHERE IS BABY?** I can't see!
Peek a boo! Peek a boo! Where can you be?

My little baby is my own-
Every muscle; every bone.
But **WHERE IS BABY?** I don't know!
Peek a boo! Peek a boo! I love you so!

My little baby is so fine
I love my baby all the time
But **WHERE IS BABY?** Show a sign!
Peek a boo! Peek a boo! Oh, baby mine!

My little baby is the best.
Because of baby, I am blessed.
But **WHERE IS BABY?** Can you guess?
Peek-a-boo! Peek-a-boo! There you are... YES!

My little baby's growing fast.
Memories are made to last.
But **WHERE IS BABY?** I must ask!
Peek a boo! Peek a boo... This time's the last!

SHAKE IT UP!
By Katherine Dines
©1998 Kiddie Korral Music, ASCAP

Come on everybody
It's a brand new day
Let's giggle 'til our middles
Jiggle and shake.
Stretch up high- then down to your toes
Ready? Get set? Now rattle and roll!

SHAKE IT UP! Shake it down
Shake it, shake it, shake it all around
Shake it high! Shake it low
Shake it shake it shake it-everywhere you go!

Now we're havin' fun
Can you feel the beat?
Let's wriggle from our middles
Down to our feet
Stretch up high- then down to your toes
Ready? Get set? Now rattle and roll!

SHAKE IT UP! Shake it down
Shake it, shake it, shake it all around
Shake it high! Shake it low
Shake it shake it shake it-everywhere you go!

THIS IS THE WAY
By Katherine Dines
©2003 Kiddie Korral Music, ASCAP

THIS IS THE WAY the birds fly
In the summer air:
Up and out and all around
Without a single care.
Lifting off above the earth,
They soar into the blue...
Floating higher than the clouds,
And diving back to you.

THIS IS THE WAY the leaves fly
In the autumn breeze:
Blowing on a windy day
Through the forest trees.
Far away they finally stop,
And tumble to the ground.
And you might see them on a walk
Landed upside down!

THIS IS THE WAY the bees fly
Buzzing from the hive:
Racing for the meadow flowers
In the summertime.
Off they go - so hard at work,
Such busy buzzing bees...
Making honey all day long
To keep my baby sweet!
THIS IS THE WAY--

To fall on the rug!

With my little bitty scarf I giggle and squirm

ANGELS ARE DANCING WITH YOU
By Katherine Dines
© 1992 Kiddie Korral Publishing, ASCAP

North, South, East, West--
These four directions are where you are blessed.
Up, down and all around
ANGELS ARE DANCING WITH YOU.

They circle above, your sleepy eyes
Then tiptoe in close, and tuck you in tight...

North, South, East, West
These four directions are where you are blessed
Here, there and everywhere
ANGELS ARE DANCING WITH YOU.

In time with your heart, they sway to and fro'
And float through your dreams - wherever you go...

North, South, East, West
These four directions are where you are blessed
Back, forth and fast asleep
ANGELS ARE DANCING WITH YOU.

WINGS

By Katherine Dines. Used with permission
©1987 Someday Baby Inc., BMI

If I could, I would give you wings
To lift you way up in the air
So you would find the rainbow's end,
'Cause wings would get you there.

If I could, I would give you wings
To carry you out of the storm
They'd take you higher than the wind,
Where you'd be safe and warm.

WINGS-- little wings
WINGS in the wind of an eye
Soon your little wings will be... big enough to fly!

If I could, I would give you wings
To lighten your heart through the years
They'd flutter soft around you then and
Dry up all your tears.

WINGS-- little wings
WINGS in the wind of an eye
Soon your little wings will be... big enough to fly!

Soon your little wings will be... big enough to fly!
